Music Room

This historic room features lavish carved linen-fold paneling, exposed beams, a built-in bench, and dimmable chandelier lighting. An LCD projector and pull-down screen allow for presentations. High ceilings make for great acoustics. **20-45 person capacity**

Board Room

A paneled fireplace with wood mantel and an elaborate built-in sidebar allow space for refreshments or meeting materials. Large sliding doors offer a view of Sagamore Creek. The room is appointed with an executive meeting table and chairs, and a 65" video display, webcam, and wireless mic for virtual meetings. **10 person capacity**

Training Room

Ideal for presentations and workshops with lightweight roll-away nesting tables and chairs allowing for easy room reconfiguration. The room is equipped with a whiteboard and a 65" video display, webcam, and wireless mic for virtual meetings. **14 person capacity**
