

# GIVING WITH IMPACT

LEARN TOGETHER TO GIVE BETTER

Join us at Carey Cottage Portsmouth, from 4:00 to 6:30 pm

- |         |  |
|---------|--|
| June 1  | The Philanthropic Landscape in NH      |
| July 13 | Creating a Giving Strategy             |
| Sept 14 | Strategies for Making a Lasting Impact |
| Oct 5   | Trust-Based Philanthropy               |

**Giving with Impact** brings local philanthropists together to learn, connect, and deepen impact. Experienced philanthropic leaders and experts will share practical ideas, new trends, and proven approaches that can help donors give more effectively.

Just as important, the series creates space for meaningful conversation. Donors can exchange ideas, learn from one another, and build relationships with peers who care about making a positive impact in their communities.
